

BUILDING APPROVAL PROCESS IN QUEENSLAND

Note: BCA Certifiers are building certifiers and not planning consultants. This explanation of the planning and building regulatory process is meant to be general advice only and does not constitute legal advice. Therefore you should obtain your own specific legal and planning advice before embarking on any building project. BCA Certifiers (Aust) Pty Ltd accepts no responsibility or liability to any person for anything or the consequences of anything done or omitted to be done as a result of relying on the whole or any part of this document.
